If you want a bargain in Mesilla valley lands I have some exceptional values to offer. I have a good list in all sixed tracts, way below the market, as times are hard, and some of the land owners are hard up (and so are we) so that we intend to get out and make a few quick sales, to kind of get on our feet again, and we are guing to do it at the expense of some of the land owners. Can give you land in Canutillo, Chamberino, Berino, La Mesa, San Miguel, Mesquite, Las Cruces, Mesilia, Dona Ana and Rincon. And don't make mistake, I am sure going to do some mistake, I am sure going to do some

cific and Southern Pacific sold a point above yesterday's close.

Weakness of certain stocks was based on developments specifically affecting these issues.

Talk of the financial requirements of New York Central and expectation of a large falling off in the mouthly tonnage figures of United States Steel influenced the course of those stocks.

Bonds were easy.

Recessions followed the midday rise in prices, a reaction in New York Central to 39% and American Telephone 127%, both low records, influencing some professional selling. Rummiy preferred broke nearly four points on the official announcement of the intended delay in acting on the dividend.

Business shrank to insignificant proportions, dealings aggregating only

Business shrank to insignificant pro-portions, dealings aggregating only about 7000 shares. No fluctuations of consequence occurred.

The market closed easy. Prices were less rigidly held in the closing hour. Steel, Iteading, Amalgamated and sev-eral others worked lower. Delaware and Hudson Joined the list of invest-ment shares which established new low records.

Efforts of Bears to Cover Up Provisions Market Irregular, With Both Offerings and Demand Light.

NOTE—All market news on prices (unless buy or bid be prices (unless buy or bid be this page reflects closing sale specified) Friday, May 2.

New York, May 2.—Failure of the market to respond to the exceptionally favorable crop report encouraged hear traders today, and when it became apparent after the opening that there was an increase in outside buying, selling pressure was applied.

The result of this selling was not large and it became obvious that long stock was not being dislodged and traders reversed their position. Efforts to cover sent up the list smartly and before moon Reading, Union Pacific and Southern Pacific sold a point above yesterday's close.

Weakness of certain stocks was based on developments specifically af-

CHARGE MONOPOLY EXISTS IN CONTROLING GRAIN MARKET Chicago, Ill. May 3.—A monopoly of terminal and county elevators by which change "call price" rule. The board answered the charges by asserting that the rule was necessary to offset the power controled by these few men.

The board in its answer, charges that these unnamed men had made leases with railroads which save them control of practically all grain elevators in Chicago used as public warehouses and also of country elevators in the grain districts. Each of the men, it is said, was alloted the control of grain along certain lines of railroads and the others agreed not to compete in buying or selling.
